

ObjectWeb - Annual Conference 2006 - Main - Exhibition

[Exhibition](#)

Exhibition

The exhibition will take place at [Solutions Linux](#). There will be an ObjectWeb Village.

"Solutions Linux" is a major trade show, which is renowned as the french "Linux World". The 2005 edition figured 9267 attendees, 180 exhibitors, 2300 auditors to conferences. This event is arguably the European reference dedicated to GNU/Linux Solutions, Open Source and free software for all organizations (large companies, SME, public services and administrations). ObjectWeb Village

Exhibiting in ObjectWeb Village offers you a great opportunity to get maximum visibility and exposure from a sophisticated technical audience with a minimum investment. You will single out your company as a high profile technology leader, while benefiting from the massive audience of a mainstream trade show.

The ObjectWeb Village will be organized of several demo pods. Each sponsor will have a fully equipped exhibit pedestal (+/- 5 sqm size) including : demo station (computer not included), brochure-rack, poster-holder, 3 KW power supply, company name header sign. Sponsor logo will also appear on Objectweb Village banner.
