

[Election of the best use case](#)

ObjectWebCon'06 Best Use Case Contest

The **ObjectWebCon'06 Best Use Case Contest** is a challenge that allows any professional to file one or several submissions about real world use cases of ObjectWeb components and platforms. All submissions run in the contest for an Award in one of the following categories:

- **Enterprise Java:** production use of ObjectWeb enterprise Java components and platforms
- **ISV & Integration:** commercial offering or development embedding some ObjectWeb components
- **Jury's Special Prize:** any use of ObjectWeb components and platforms

Awards winners

Award winners for each category have been designated by ObjectWeb community through online vote (available until Friday January 27th 2006). The announcement of the Awards winners has been done during the ObjectWebCon'06 Awards Ceremony, on Wednesday February 1st, 2006 in Paris, France. The ceremony was driven by Bull.

- **Enterprise Java:** [Mandriva Club](#) - usage of XWiki by Mandriva
